JUDGMENT

The petitioner has been granted a regular permit by the R.T.A., Thrissur, by Ext.P1 decision, which was endorsed for communication on 14.11.2006.Alleging that the permit so granted is not being issued after settling the time schedule, this Writ Petition is filed.

2. The respondent raised some dispute regarding the production of the current records. Therefore, this Court directed the respondent to file a statement. Going by the statement, according to the respondent, the last date for production of current records was 15.1.2007. It is common case that the petitioner has availed a temporary permit granted in respect of the very same vehicle on another route on 2.1.2007. It means that the vehicle was ready and the records were also current. So, the contention of the respondent that the petitioner did not produce the current records, cannot be accepted. In the result, the respondent is directed to issue the permit granted as per Ext.P1 as expeditiously as possible, at any rate, within two months from the date of production of a copy of this judgment, after settling the

time schedule,

The Writ Petition is disposed of as above.

28th February, 2007. K.BALAKRISHNAN NAIR, JUDGE.
